CENEX SHOP: WHAT YOU NEED TO KNOW

To create new customers and maintain loyal ones, it's essential to provide your customers with a satisfying C-Store experience. It all starts by making sure your image is professional and up-to-date. Cenex Shop at **cenexshop.com** is your one-stop online destination for current Cenex® assets to keep your advertising, store and products enticing and relevant.

Cenex Shop is a dynamic, online tool that allows you to create professional marketing materials on your own without hiring a graphic designer or advertising agency. Using this simple online tool, you have the power to create and order the materials you need, as you need them.

You'll find a full range of ready-made templates, easily customizable to your unique needs. Create everything from in-store signage and pump toppers to advertising materials such as print ads and billboards. With Cenex Shop, the hard part has already been done for you. It's advertising made simple.

Please note that Cenex® brands, trademarks, logos and ads should not be re-created or altered. Contact us at **refinedfuelsmarketing@chsinc.com** for questions or assistance.

GETTING STARTED

- 1. Visit cenexshop.com.** Immediately begin shopping for your advertising and promotional items without the hassle of having to log in before browsing.
- 2. Check out, and create an account.** Once all your items are added to the Shopping Cart, you will need to log in to your account to complete the ordering process. Don't have a Cenex Shop account? No problem, it is easy to create your own account and will only take a couple minutes! And, don't forget to record your username and password for future reference.
- 3. Have questions?** If you need help, view the FAQs located at the top of **cenexshop.com**, or contact your Cenex Representative.

BILLBOARDS

Billboards provide 24/7 exposure, making them especially effective advertising investments for convenience store marketers. With the right billboard, you can reach a large audience on a repeat basis. This increases your opportunity to gain new customers.

C-Store marketers who post a new Cenex® billboard can receive a **billboard rebate equal to 100% of your production and installation cost**, whether you own or lease your board.

As an extra incentive, **CHS offers robust rebate programs of up to 75% through the Ad Share Program** to help supplement the ongoing costs and rental fees associated with outdoor advertising.

Billboard Benefits

- Reaches customers at the time of buying decisions
- Very low cost per impression
- 24-hour-a-day exposure
- Directs customers right to you
- High visibility — reaches a large, varied audience

Tips & Considerations

- **Location.** High traffic areas or those near the exit to your store are ideal. The best locations may be more expensive, but they pay off by reaching a larger audience.
- **Illumination.** With illumination, your signs will be visible day and night.
- **Visibility.** If possible, personally inspect the billboard on-site before signing a contract. Even billboards in great locations can be obscured by branches and other barriers.

HALF BILLBOARDS

Cenex® half billboards provide another flexible option for your outdoor advertising. When choosing this option, the board must follow the design template as provided on Cenex Shop, in the Outdoor Advertising section. Half Billboard Ad Share claims and credits will be pro-rated to reflect the portion of the half billboard that displays the Cenex logo.

GETTING STARTED

- 1. Log on to cenexshop.com** and complete the Custom Billboard order form located in the Outdoor Advertising category.
- 2. Customize your billboard.** On the order form, choose a template design and customize it with details like your store logo, amenities, directional information and/or other product logos.
- 3. Place your order.** Place your order through the shopping cart (no charges will be incurred). You will need to log in to your existing Cenex Shop account or create an account to finish your order.
- 4. Approve your new billboard.** An email will be sent to you to approve the artwork. Once approved, the final files will be forwarded directly to you to pass to your billboard vendor for production.
- 5. Submit an Ad Share Billboard Rebate Form.** When you receive an invoice for the production and installation of your billboard, submit a Billboard Rebate Form, found on page 19. Include copies of paid invoices and photos of your posted billboard. Further instructions and qualifying information can be found in the Ad Share section on page 15.

Questions? Contact your Cenex Representative.

For more information, visit MyCHS at chsinc.com and click on the Cenex Retail page.

HIGHWAY SIGNS

Each state offers highway logo signs as a trusted source for travelers looking for food, fuel, motels and more. Not only are these signs cost effective, they're also a great way to help boost store traffic and brand awareness at the very moment C-Store customers are looking to stop.

Rebate Program for Highway Signs

CHS offers excellent incentives on highway logo sign advertising. As with billboards, the **Outdoor Advertising program offers a rebate equal to 100% of your production and installation cost for each completed highway logo sign, as well as up to a 75% reimbursement of qualified lease fees.**

GETTING STARTED

- 1. Contact your state highway department or Interstate Logo division.** See the Important Contact Information & Links section or go to interstatelogos.com (hint: know the highway and exit #).
- 2. Complete an application** for your logo sign with the state or your state's required logo sign company.
- 3. Upon approval, provide the Cenex logo to the state or sign company.** You can download Cenex logo artwork from the Outdoor Advertising category at cenexshop.com. Just click on "Highway Logo Sign."
- 4. Submit your Highway Logo Sign Rebate form,** found on page 20, with a photo of the highway logo sign once installed, and a copy of your invoice to CHS.

RADIO ADVERTISING

Local radio advertising is a great way to reach people in their cars and encourage them to stop into your store. CHS provides radio scripts as well as professional, pre-recorded ads. You can customize many of the ads by adding your own store location, sales, hours and special promotions through a variety of suggested tags and approved music beds.

You could also run a radio tag, or radio billboard, which consists of a store mention or sponsorship announcement such as *“Today’s weather is brought to you by Fred’s Cenex®.”*

Rebate Program for Radio

Radio ads provided on Cenex Shop automatically qualify for the Ad Share program. Ads developed by outside parties may qualify but need approval prior to production. Learn more in the Ad Share section, starting on page 15.

PRINT ADVERTISING

Print is an essential component of your overall marketing mix and includes ads, sales flyers, statement stuffers and more.

As with other Cenex Shop templates, you can customize professional-quality print designs with specific details and images. Better yet, once customized, you can preview your piece online to ensure it’s what you want to order. The final step allows you to place your order, via the online shopping cart. The print-ready materials will be shipped to you, ready to post or distribute. Plus, all Cenex Shop print templates qualify for up to 75% Ad Share reimbursement as outlined on pages 15 and 16 of this manual.

C-STORE POS MATERIALS

Point-of-sale (POS) materials can be used to improve the look of your fueling islands and store, promote incremental sales, announce specials and boost your repeat business. It’s local advertising at its most local — right in your store, at the point of sale, allowing you to reach your customers where they make their purchases.

A wide selection of C-Store POS assets are available through Cenex Shop, including:

- Signage
- Pump toppers
- Coupons
- Loyalty punch cards

Many of these items are available in both customizable and ready-to-use formats — so you can get the materials you need to make your store look great without a lot of effort. Use available Ad Share funds, as detailed on page 15, to help offset the costs of these fun, fresh POS pieces. Click on the “C-Store” link on the left side menu of cenexshop.com to explore the possibilities.

DIRECT MAIL

Direct mail is a great way to reach your customers one-on-one. CHS has created targeted direct mail pieces, designed to drive people to your store and generate sales. You can also use direct mail to advertise a store event, special or promotion. Ready-made templates are available on the Cenex Shop site, and qualify for up to a 75% rebate through the Ad Share program as outlined on pages 15-17.

In addition, many options are included to have mailings assembled and shipped in different ways:

- Mail them yourself
- Upload your list and have them mailed for you
- Purchase a list by dealer address and have them mailed for you

WEB BANNERS

Savvy marketers know people are spending more and more time online, which is why retailers are allocating more of their advertising funds towards online advertising. It's a simple, cost-effective way to reach customers. Sophisticated internet tools also allow you to place web banners in a targeted way so that you can reach the customer groups you want to influence.

Cenex Shop features an excellent selection of creative web banners in the most common sizes, many of which are animated for even bigger impact. Be sure to visit Cenex Shop to browse through the full selection of these powerful marketing tools.

For more information, visit MyCHS at chsinc.com and click on the Cenex Retail page.

CENEX® UNIFORMS

In the highly-competitive retail industry, image is everything. That all-important image includes fresh, consistent uniforms and identification for your store team.

Cenex Shop offers an approved uniform and nametags to outfit your employees, which are eligible for Ad Share funding.

To see which apparel items qualify for reimbursement, please see the bottom section of the Ad Share Program claim form on page 18 of this guide.

EVENT MATERIALS

In-store events such as a Grand Opening, Grand Re-Opening, Anniversary or Customer Appreciation Event generate energy, excitement and brand loyalty while giving people an added reason to shop in your store.

Cenex® event marketing materials are available from Cenex Shop to help you plan an engaging store event! Regardless of the details of your event, be sure to schedule this event on days that are typically less busy for your store. Not only does this help boost your sales, but it also minimizes disruption to your normally hectic times.

Benefits of hosting a store event:

- Shows appreciation for your customer
- Provides a chance to gain additional traffic in your store during the event
- Increases opportunities for return visits when using bounce-back coupons or loyalty punch cards

Reimbursement through Ad Share is available for some event-related purchases through Cenex Shop, pre-approved on a case-by-case basis. You can learn more and find the reimbursement form in the Ad Share section on page 18.

AD SHARE

WHAT YOU NEED TO KNOW

ELIGIBILITY

AD SHARE PROGRAM CLAIM FORM

BILLBOARD REBATE FORM

HIGHWAY LOGO SIGN REBATE FORM

WHAT YOU NEED TO KNOW

The Cenex® Ad Share Program is part of CHS continuing effort to help you increase profits. Ad Share is a reimbursement program, created to help your C-Store with marketing expenses.

The program covers up to 75% of your costs on approved local advertising and marketing efforts, including everything from running ads to improving your store's appearance. *Funds not used during the current year will not be carried over for use in the next fiscal year.* (The CHS fiscal year runs from September 1 to August 31.)

Making Ad Share Work for You

As you plan your store's advertising mix for the year, Cenex Ad Share is a great way to reduce your costs and get more from your budget. Use Ad Share funds to make marketing more impactful by:

- Running a color ad instead of black and white
- Running a larger ad instead of a small one
- Running ads or radio spots more frequently
- Placing more billboards in more locations
- Sending additional mailings to remind customers of a special offer

GETTING STARTED

1. Funds are allocated for each gallon of Cenex® gasoline or Premium Diesel fuel purchased from CHS during the previous fiscal year* (from September 1 to August 31), up to the maximum committed amount listed in Exhibit A-1/A-2 of your Branded Petroleum Marketer Agreement (BPMA). Gas volumes determine Retail Ad Share fund allocations, while Premium Diesel volumes determine allocations for Premium Diesel advertising. You earn \$0.001 in Ad Share for every gallon you sell during the fiscal year and can use the money toward approved Cenex branded advertising.
2. Purchase your marketing materials as needed. Items that qualify for Ad Share funding include print and radio ads, billboards and highway signs, direct mail and even uniforms. See pages 16-17 for a full list of eligible and ineligible items. Remember: Any marketing template pulled from Cenex Shop automatically qualifies for Ad Share reimbursement. If you're not sure what qualifies, seek pre-approval before investing in your marketing program. Questions and requests for approval may be sent to cenexadshare@chsinc.com.
3. To receive a reimbursement for eligible Ad Share marketing, fill out the Ad Share Claim Form on page 18. Claim forms can be submitted at any time throughout the year, but must be received no later than September 30 for the previous fiscal year. Once a claim is approved, Ad Share funds will be dispersed in the form of a credit to the parent account.* Please note funds cannot be reimbursed at the store level.

*Subject to the availability of annual funds.

Questions? Contact your Cenex Representative.

For more information, visit MyCHS at chsinc.com and click on the Cenex Retail page.

ELIGIBILITY

C-Store Eligibility

All Cenex® branded marketers with a current Branded Petroleum Marketer Agreement (BPMA) and who meet retail image standards are eligible for the Ad Share Program. Retail image standards will be assessed twice a year during Retail Excellence Daily Mystery Shop evaluations. Cenex locations that do not consistently meet retail image standards may be denied Ad Share funding until the necessary image corrections are made.

Ad Share Eligible Items

Point-of-Sale Materials. This includes advertising for store products and services such as soda, snacks, car washes, etc. This category may also include signage for sales or store specials. POS templates available via Cenex Shop are approved for Ad Share reimbursement.

Radio Advertising. Approved radio scripts and pre-recorded spots available on Cenex Shop are eligible for Ad Share reimbursement. In addition, live store remotes qualify when the Cenex brand is referenced as the destination.

Charitable Promotions. Cenex-approved marketing templates qualify when used for consumer-directed advertising associated with community or charitable promotions, such as food drives and school fundraising.

Event Marketing. Cenex-approved marketing templates qualify when used for consumer-directed advertising associated with store events, such as Grand Openings, Grand Re-openings, Anniversary and Customer Appreciation Events.

Other Tactics. Consumer-directed advertising and other tactics may qualify when Cenex-approved marketing templates are used.

Cenex Brand Campaigns. Print and radio advertising, direct mail, and store signage for current Cenex brand campaigns are eligible. Qualifying materials can be found at cenexshop.com.

Outdoor Billboards and Highway Logo Signs. Existing billboards and highway logo signs with a current approved design are eligible for up to 75% reimbursement under Ad Share. A photo of the billboard or highway logo sign is required each year to ensure eligibility. New signs and design updates on existing signs may also qualify for either a separate billboard or highway logo sign rebate when approved Cenex templates are used.

Uniforms. The Cenex uniform program makes it simple for operators to implement a professional, cost-effective uniform program at their store(s). The Cenex uniform from Cenex Shop is available in a variety of sizes. Customizable name badges also qualify for reimbursement. Eligible uniform item numbers are listed in the bottom section of the Ad Share claim form on page 18.

Retail Brand Image Enhancements. Certain brand image elements (and the professional labor* to install them) qualify for Ad Share funding. Image related items must comply with Cenex Retail Image Standards and be purchased through an approved vendor.

Some maintenance costs to ensure brand standards are consistently met, such as painting, may also be covered. Refer to the Cenex Retail Image Standards Guide, which can be found on the **Cenex Retail page of MyCHS**, for brand image requirements and maintenance specifications.

*Labor performed by store employees is not eligible for reimbursement.

Questions? Contact your Cenex Representative.

For more information, visit MyCHS at chsinc.com and click on the Cenex Retail page.

Qualifying Image Enhancements Include:

- Primary price sign upgrades
- Electronic message boards
- Replacement of canopy fascia
- LED canopy logo upgrades
- Professional site image enhancement programs (through approved vendors)

Qualifying Maintenance Expenses Include:

- Paint
- Dispenser decals
- Replacement of price sign numbers
- Windshield service units
- Trash and recycling units
- Pump topper frames from Cenex Shop
- Security stickers

Ineligible Items:

- Promotional supplies or gifts (such as prizes, lotteries, gift cards and branded giveaways)
- Merchandise, caps and apparel, with the exception of the approved Cenex® uniform and nametags
- Individual store newsletters, brochures, websites, magazines, etc.
- Donations
- Non-Cenex produced advertising
- Advertising for Cenex lubricants, propane or bulk fuels
- Hometown Radio Network fueling island advertising
- Advertising for competitive brands
- Advertising where a station name or logo has replaced the Cenex brand
- Coupon value
- Office supplies (business cards, envelopes, order forms, etc.)
- Uniform rental or cleaning
- Mobile applications/social media marketing

Ad Share Balances

Customers with Control Room Level access to **MyCHS** can view their current Cenex Ad Share funds by visiting the “**My Accounts**” area on the **MyCHS homepage**. **Both Retail and Premium Diesel Ad Share Funds are visible in the “My Accounts” area**. Customers without access to this information through MyCHS should contact their Cenex Representative or cenexadshare@chsinc.com.

Please note: specific items as detailed in alternate CHS image-related programs and/or rebates may not qualify for Ad Share reimbursement.

For other questions about the Ad Share Program, contact your Cenex Representative or email cenexadshare@chsinc.com.

Questions? Contact your Cenex Representative.

ABOUT: CORPORATE CAMPAIGNS

CHS supports your own local marketing efforts with national and regional marketing campaigns in 2017. Each is uniquely designed to increase brand awareness and generate sales. These initiatives include:

- Tanks of Thanks®
- Cabela's CLUB Visa® Card & Loyalty Program
- Cenex® Voyager® Fleet Card Campaign
- Cenex Gift Cards
- Cenex Roadmaster XL® Premium Diesel
- Cenex® TOP TIER™ Detergent Gasoline

Each Campaign Includes:

- National and/or regional advertising created by CHS
- Tools you can use to promote the campaign in your store
- Local store marketing resources so you can easily create your own ad materials

GETTING STARTED

While these campaigns will be supported on a national and/or regional level by CHS, we encourage you to leverage them locally in order to increase their effectiveness in your own store. Here's how:

- 1. Update In-Store Merchandising.** Make sure to regularly visit Cenex Shop to refresh your in-store marketing pieces.
- 2. Online Employee Training.** Train your front line employees on all Cenex Marketing Programs for FREE by visiting cenexrefinedthinking.com. Learn more about these easy-to-use training modules on page 31.
- 3. Stay Up-to-Date.** Read campaign happenings in the monthly *In The Know* E-newsletter and stay informed by referencing the Manager Guides that are mailed out with store signage kits.

CENEX® BRAND CAMPAIGN

In the upcoming months, CHS will be revamping the Cenex® brand with a new, fresh advertising campaign. The goal is to generate brand awareness and support by giving back to the community and rewarding those who make a difference. The power of the campaign builds on the key insight that Cenex branded retailers are better trusted by customers because they're locally owned and operated, and therefore maintain a strong, local and personal connection to their communities.

More information will be shared on how this campaign will take shape in your community! Stay tuned to *In The Know* E-newsletter for the latest updates.

TANKS OF THANKS®

Tanks of Thanks® celebrates the little — and the large — things employees, customers and friends of Cenex do to make our communities better places to be. It's also a great way to give back to the communities we rely on for our business success.

The Tanks of Thanks program will run through December 2016 until a new program is announced with the updated Cenex brand campaign.

How Tanks of Thanks Works

1. Deserving individuals are nominated by members of their communities at **tanksofthanks.com** for the chance to win a Cenex Gift Card in recognition of their good deeds.

2. Each month, 100 nominees are randomly selected from the nominee pool to receive a \$50 Cenex Gift Card. After each drawing, CHS mails a media alert to the community of each gift card recipient to generate local media interest and recognition for recipients.

3. In addition to community nominees, dealers can select up to six people per fiscal year to be automatically rewarded by CHS with a \$50 Cenex Gift Card as part of the program. **Nominations can be made by following a dealer link on tanksofthanks.com.** In the case of every dealer nomination, CHS will automatically issue and mail a \$50 gift card to the winners.

Promote Locally

To leverage the Tanks of Thanks campaign in your store:

- Train front-line employees on the campaign and how to support the message at **cenexrefinedthinking.com**.
- Honor your community's Tanks of Thanks recipients using customizable in-store posters, ads and newsletter articles.

CABELA'S CLUB VISA® CARD & LOYALTY PROGRAM

The CHS partnership with Cabela's offers an exclusive benefit not available from any other petroleum brand. With the Cabela's CLUB Visa®, cardholders earn DOUBLE Cabela's CLUB points on all Cenex retail purchases — including fuel, snacks, beverages, and more. The Cabela's CLUB Visa card provides Cenex® retailers exclusive access to over two million cardholders.

As a result of this partnership program, Cenex retailers have already experienced increased sales, higher ticket values, and a large (and growing) customer base. CHS will continue to support this relationship with national and local marketing tactics to drive in-store sales and boost new customer acquisition. To learn more, visit cenex.com/cabelas.

Several national and regional initiatives are scheduled throughout the year, including:

- Cabela's CLUB Visa statement stuffers
- Email and direct mail marketing
- Radio advertising
- Facebook advertising
- Print ads in C Magazine

The more you can leverage the Cabela's CLUB Visa campaigns in your community, the greater the results you can experience, including:

- **Increased Sales and Transactions.** In 72 months, stores sales to Cabela's CLUB Cardholders grew by 400% and transactions jumped by 312%. That translates to an average of 1,350 more transactions per location!
- **Higher Ticket Values.** Cabela's CLUB Visa Cardholders bring a significantly higher-than-average retail ticket — about \$15 more than Visa and MasterCard® shoppers.

- **Attract New Customers.** Pre-program, 8.77% of Cabela's CLUB Visa Cardholders chose Cenex. Seventy-two months into the program, 48% of cardholders chose Cenex — and the number continues to grow. Many cardholders are sensitive to CLUB points and shop at Cenex whenever possible.
- **Processing Savings.** Since the beginning of the program, Cenex Marketers have saved over \$2 million on processing due to reduced processing rates on Cabela's CLUB Visa transactions.

Promote Locally

- Install updated Cabela's CLUB Visa campaign materials in your store and/or implement a local ad campaign. Visit Cenex Shop for templates.
- Train your front-line employees on the campaign and how to support it via the credit card training module available on cenexrefinedthinking.com.
- Review your store specials to maximize opportunities for in-store sales during the campaign period.

CENEX® GIFT CARDS

Cenex® Gift Cards may be redeemed for gas, snacks, beverages and more at over 1,400 Cenex retail locations, making these cards a thoughtful, convenient gift for any occasion. In fact, studies show most people prefer gift cards over any other gift.

Selling and promoting Cenex Gift Cards provides a significant opportunity for increased sales and profits. Gift cards reach new customers, encourage greater customer spending, foster stronger brand loyalty and increase the likelihood of repeat store visits. You can restock your order of gift card plastic and jackets at cenexshop.com.

Employee training is provided through the Online Employee Training Modules, which can be found at cenexrefinedthinking.com, under Cenex Gift Cards.

Plus, find a selection of gift card radio spots, web banners, and other marketing materials on Cenex Shop, and create your own promotion to sell these desirable products.

CHS promotes Cenex Gift Card sales through several national and regional initiatives throughout the year, including: Cenex Credit Card statement stuffers, print ads in C Magazine, radio and Facebook advertising.

Important Note: All existing Cenex Gift Card designs are still valid.

CENEX VOYAGER® FLEET CREDIT CARD

The Cenex Voyager® Fleet credit card is a convenient way for companies to carry a single card for all vehicle-related purchases, while earning rebates on purchases at Cenex fueling sites. The card is accepted at more than 230,000 locations nationwide and provides a complete fleet fueling management program designed to save businesses time and money. The card also provides Cenex owners with an opportunity to increase sales at the pump and in the store.

How It Works

CHS will be pursuing small and medium size businesses and fleets, via targeted promotions, to create interest and increase card applications for the Cenex Voyager Fleet credit card. To help promote the card, several national and regional initiatives are scheduled throughout the year using direct mail, industry publication advertising, radio, and Facebook.

While advertising will occur on a national level, you can promote the Cenex Voyager Fleet credit card in your local area. The more marketing you do in your own community, the greater the results you can achieve. Benefits of growing your local card base include:

- Increase in sales and ticket values
- Creation of more repeat customers
- Becoming a partner to local businesses

Cenex Voyager Fleet credit card materials are available via Cenex Shop to get you started with local promotions. Front-line team and manager training is available on cenexrefinedthinking.com in the credit card course.

CENEX ROADMASTER XL® PREMIUM DIESEL FUEL

Cenex® leads the industry in premium diesel fuel with a proprietary additive package that maximizes performance and fuel efficiency, reduces downtime and maintenance costs, extends injector and injector pump life, and provides quicker, smoother starts.

Carrying Cenex Roadmaster XL® Premium Highway Diesel Fuel at your retail location will set you apart from your competitors! Cenex Roadmaster XL is designed to optimize performance, no matter what kind of diesel engine your customers are operating. It consistently outperforms #2 diesel fuel and sets the standard that all other “premiums” try to measure up to, Cenex Roadmaster XL:

- Increases fuel economy by as much as 5%
- Increases fuel lubricity by 10-15%
- Improves power by up to 4.5%

How It Works

Before it's time to fill up, CHS is making sure over-the-road fleets and businesses know why it's the smart business choice to select the best fuel for their engines. A multi-channel media campaign helps build awareness and preference for Cenex Roadmaster XL and encourages fleets to visit their local Cenex branded retailer throughout the year using direct mail, industry publication advertising, digital advertising and radio.

CHS has planned a number of national and regional campaigns for 2017, and the best way to maximize these efforts is to supplement with your own local marketing. A variety of templates and items are available via Cenex Shop for you to get started targeting your local customers today!

Don't carry Cenex Roadmaster XL today? Talk with your Cenex Representative to learn about the benefits of offering Cenex Roadmaster XL at your retail location(s).

CENEX® TOP TIER™ DETERGENT GASOLINE

Maintaining vehicles takes a lot of time and effort, but Cenex® TOP TIER™ Detergent Gasoline makes it a little bit easier for your customers. With two and a half times the cleaning power of regular fuel, Cenex TOP TIER Detergent Gasoline helps to:

- Control buildup
- Protect against deposits
- Maximize engine performance
- Optimize fuel efficiency

Our TOP TIER fuel exceeds industry standards of quality, is endorsed by the seven leading automotive manufacturers and is available at every Cenex location. Customers trust the Cenex® brand because Cenex-branded retail locations, like yours, combine big-name quality with small town sensibility.

When it comes to advertising this top-quality fuel offering, you don't have to go it alone. We're doing our part to get the word out about Cenex TOP TIER Detergent Gasoline, which will help drive traffic to your retail location. Paid media placed in primary geographic markets will support both the Cenex brand and our TOP TIER Detergent Gasoline through targeted channels. In conjunction with our advertising efforts, please consider running local ads, radio spots or having promotional material available at your location. Visit cenexshop.com to see all available materials and listen to the radio spot.

RETAIL EXCELLENCE DAILY (RED) MYSTERY SHOP PROGRAM

To ensure brand integrity and the best customer experience possible at each of its 1,400 locations, CHS administers bi-annual Mystery Shop evaluations at each Cenex® retail location. Mystery Shoppers review the exterior and interior of each location, take photos and evaluate employee performance. They then provide a comprehensive report detailing strengths and opportunities to assist C-Store operators in improving their store to make it more successful.

All Cenex branded retail sites must comply with current Cenex retail image standards at all times. Brand image related issues will be communicated through the Mystery Shopper's Final Report and associated website. Brand image issues may also be addressed at any other time throughout the year. Your Cenex Representative can assist you with any necessary branding-related corrective actions.

How RED Inspections Work

Twice a year, CHS sends Mystery Shoppers into the field to evaluate stores. These evaluations are at no cost to the individual or parent location. You will be given notice of a three-month timeframe when Mystery Shop evaluations will occur, although you will not know the exact date. Knowing a general timeframe gives you the chance to make sure your store and staff is at their best when the Mystery Shopper arrives.

Getting Ready

To prepare for your RED evaluation, visit **MyCHS at chsinc.com, Cenex Retail page**. There, you'll find a Mystery Shopper preparation checklist and the Cenex Retail Image Standards Guide.

You can also train your store team on the RED Mystery Shop program via the Online Employee Training Module on **cenexrefinedthinking.com**.

SOCIAL MEDIA

Promote Responsibly

If you are posting content on a social media site, or considering developing your own Facebook or Twitter site, please remember:

- Respect the CHS Social Media Guidelines found at **MyCHS on the Cenex Retail page**. They are designed to protect the integrity of the CHS and Cenex brand.
- Follow Cenex logo usage guidelines.
- Develop your own social media policy for your staff.

Remember, social media is open to the public; content is designed to be fresh, relevant and show the Cenex brand in a positive light for the consumer audience.

GETTING STARTED

1. **Like the Cenex Stores Facebook page, at facebook.com/cenexstores.**
2. **Share content** — feel free to share or re-post content from the Cenex Stores Facebook page.
3. **Post Tanks of Thanks® nominees' stories on your page** by clicking "like" next to your favorite stories on **tanksofthanks.com**.
4. **Let us know about your special events.** We'll promote them on the main Cenex Stores page.

EDUCATION

ONLINE EMPLOYEE TRAINING
MyCHS
IN THE KNOW E-NEWSLETTER

ONLINE EMPLOYEE TRAINING

A well-trained team is crucial to your store's success. CHS supports education and training with four retail training modules that are available at cenexrefinedthinking.com.

These training courses are designed to provide you an overview of key Cenex® programs and how each program will help your store remain successful. Managers and sales associates choose from the training topics, each of which shows you step-by-step how the various programs work.

Training for Everyone

The online training modules are designed to give your staff the tools and confidence to promote the following Cenex programs:

- **Cenex: We're With You® & Tanks of Thanks.®** Learn important facts about CHS, the Cenex brand and the "We're With You" brand campaign, including the "Tanks of Thanks" program. This course includes customer service basics to ensure employees deliver on the Cenex brand promise. Brand program education is valuable not only for new associates, but also as a helpful refresher for long-time team members.

- **Cenex Gift Cards.** Learn how the Cenex brand's gift card program can help your store become more profitable. From selling techniques to gift card terminology, the training will prepare associates to handle customer questions and energize your gift card business.
- **Cenex Credit Cards.** Learn the unique attributes of each Cenex-branded credit card. Whether your customer needs to fuel the family car or a fleet of vehicles, CHS has a card to meet their needs.
- **Cenex Mystery Shop Program: RED Inspections.** Learn what to expect when your store is visited by a Mystery Shopper. Help make the Mystery Shopper's visit a positive experience by educating associates on the program and its purpose.

GETTING STARTED

1. Visit cenexrefinedthinking.com.
2. Register or log in.
3. Select a course and begin (each course is approximately five minutes).
4. Upon finishing each course and its quiz, you receive a certificate of completion which you can download and print.
