### HIGH VISIBILITY DESIGN

Unique contour shape and clear, crisp graphics outline the features and benefits of each item

### TRUE VIEW PACKAGING

Package shows customers as much of the product as possible – less waste and less returns

### INFORMATIVE SELLPOINTS

Power Up!™ packages allow customers to shop the items independently, offering answers to FAQs

### COB ULTRABRIGHT

### WHAT IS COB LED?

COB LEDs are multi-LED chips that are packed together as one lighting module. COB technology contains more LEDs in less space resulting in a uniform high intensity light even at close working distances.

### COB LED PRODUCTS

- LIGHT SWITCH
- UTILITY LIGHT
- SWIVEL WORK LIGHT
- HEAD LAMP
- CAP LIGHT
