PROGRAM

VSS has simplified a product listing to help you decide the right program to fit your stores individual needs. Whether you need PRODUCTS, SERVICE and/or EQUIPMENT talk to one of our representatives today to find out more information.

## PRODUCTS

**3 COMPARTMENT SINK** | detergent & quat sanitizer

**DISHMACHINE** | detergent, EPA sanitizer, rinse agent, delimer

**MOP STATION** | floor cleaners, all-purpose, degreasers

**READY TO USE** | all-purpose, glass, degreaser

**ISLAND CLEANING** | degreasers, fuel island cleaners

**VSS Products** are available in a variety of package sizes ranging from quarts, gallons and 5 gallon pails. We offer concentrates that help save you money and also ready-to-use to help save on time. Whatever your stores needs—*VSS is your answer.*

## EQUIPMENT

**AUTOMATIC DISPENSERS** | dispensers that automate the dilution process to ensure you are using the right amount of product without the hassle of having to measure out each one.

1 PRODUCT - for areas that you need one product only (fill mop bucket, sink)

2 PRODUCTS - for areas such as a 3 compartment sink or a small mop station

3+ PRODUCTS - for locations that use several concentrates and have one location for filling

**DISH MACHINES** | VSS is a distributor of several commercial machines designed to fit the need whether you operate a small or full-sized kitchen. Purchase or lease-to-own options are available.

## SERVICE

VSS has a service team that covers the Midwest region. We offer preventative maintenance, installations and emergency service. Contact a representative to find out more information.
